Workshops

Twelfth Annual Grounded Theory Jamboree

Wednesday, August 2, 2017 to Friday August 4, 2017

This Jamboree will further your understanding of GT; as methodology, as product, and its applications to generate relevant theory. Participants will enhance their ability to conceptualize and generate theory, moving beyond description and forcing to generate a relevant and meaningful grounded theory from your data.
More information can be found on the [FGS website](#).
