2016 Graduate Student Conference

Research without Borders

"Attending the conference was a wonderful opportunity to discuss and converse with people in a way that doesn't happen regularly. I learned a lot, and presenting gave me a sense of confidence and accomplishment that made me feel like what I had to share that day was important."
"I am very glad I decided to partake in this learning opportunity. I met so many wonderful people, and it gave me the confidence I needed to prosper in my graduate program."

Thank you to all those who presented and attended the 4th Graduate Student Conference. It was an amazing and inspiring event!
