President's Message

Welcome to summer,

At AUGSA we have been very busy coordinating our advocacy efforts and planning the 2016 graduate student conference. Our Executive team has been very involved in the post-secondary student advocacy groups ensuring proper representation for Athabasca University graduate students. We are members of the Canadian Alliance of Student Associations, the Ontario Graduate Students Association, and the Alberta Graduate Provincial Advisory Council. If you have any questions about our advocacy efforts please do not hesitate to contact us. I also encourage any students who can attend our graduate conference to do so, it is a great learning and networking event. Information can be found here <https://augradconference.athabascau.ca/>.

On July 19th, 2016 at 6:00 PM MDT AUGSA will be hosting our Annual General Meeting. We encourage all our students to participate in this meeting to learn more about our organization. Click on the link below to join the meeting at that time:

I hope everyone has an enjoyable summer and can pull away from the studies here and there for some relaxation.

Many Regards, Teagan Gahler, President

Eleventh Annual Grounded Theory Jamboree

This year's Grounded Theory Jamboree provides participants with a golden opportunity to resolve their confusion and uncertainty learning and doing Grounded Theory (GT). The Jamboree will further your understanding of GT; as methodology, as product, and its applications to generate relevant theory. You will develop your ability to conceptualize and to generate and recognize a relevant and meaningful grounded theory from your data.

Wednesday August 03 - 05, 2016, Calgary, Alberta
