

June Newsletter

President's Message

Welcome to summer,

I hope everyone is enjoying the lovely weather. Here at AUGSA we have been working away on ensuring a smooth transition and hitting the ground running. One of our major projects on the go right now is the planning of the Graduate Student Conference that will be held September 16-18th, 2016 in Edmonton. If you would like to present your research we have extended the abstract deadline to June 8th, 2016. Please see all details here <https://augradconference.athabascau.ca/>.

AUGSA is deeply saddened by what has happened in Fort McMurray, and we send our thoughts to any students affected. If you have been impacted by the fires please see information here <http://news.athabascau.ca/education/helping-students-affected-natural-disasters/>. There are two new bursaries for students affected.

AUGSA attended the transition meeting for abGPAC (our provincial lobby group) and the first CASA conference (Federal lobby group) to ensure we are up to date and continuing advocacy for our students on the broader scale.

Many Regards, Teagan Gahler, President
